

"Fortnight" By Taylor Swift (feat. Post Malone)

I was supposed to be **sent away**, but they forgot to come and get me
I was a **functioning alcoholic** till nobody noticed my new **aesthetic**
All of this to say, I hope you're okay, but you're the reason
And no one here's to blame, but what about your **quiet treason**?

And for a **fortnight** there, we were forever
Run into you sometimes, ask about the weather
Now you're in my backyard, turned into good neighbors
Your wife _____ flowers
I wanna kill her

All my mornings are Mondays stuck in an endless _____
I took the **miracle move-on drug**, the effects were temporary

And I love you, it's **ruining** my life
I love you, it's ruining my life
I touched you for only a fortnight
I touched you
But I touched you

And for a fortnight there, we were _____
Run into you sometimes, ask about the weather
Now you're in my backyard, **turned into** good neighbors
Your wife _____ flowers
I wanna kill _____

And for a fortnight there, we were _____
Run into you sometimes, comment on my sweater
Now you're at the mailbox, turned into good neighbors
My husband is cheating
I wanna kill _____

I love you, it's ruining my life
I love you, it's ruining my life
I touched you for only a fortnight
I touched you
I touched you

I love you, it's ruining my life
I love you, it's ruining my life
I touched you for only a fortnight
I touched you
I touched you

Thought of calling ya, but you won't ***pick up***
Another fortnight lost in America
Move to Florida, buy the car you want
But it won't ***start up*** till you touch, touch, touch me

Thought of calling ya, but you won't pick up
Another fortnight lost in America
Move to Florida, buy the car you want
But it won't start up till I touch, touch, touch you

“Birds of a feather” by Billie Eilish

I want you to _____

'Til I'm in the _____

'Til I **rot away**, dead and buried

'Til I'm in the **casket** you carry

If you go, I'm going too, uh

'Cause it was always you, alright

And if I'm **turnin' blue**, please don't save me

Nothing left to lose without my baby

Birds of a feather, we should **stick together**, I know

I said I'd never think I wasn't better _____

Can't change the weather, might not be forever

But if it's _____, it's even better

And I don't know what I'm cryin' for

I don't think I could love you more

It might not be long, but baby, I

I'll love you 'til the day that I die

'Til the day that I die

'Til the **light leaves my eyes**

'Til the day that I die

I want you to see, hm

How you look to me, hm

You wouldn't believe if I told ya

You would keep the **compliments** I throw ya

But you're so full of shit, uh

Tell me **it's a bit**, no

Say you don't see it, your mind's **polluted**

Say you wanna _____, don't be stupid

And I don't know what I'm cryin' for

I don't think I could love you more

Might not be long, but baby, I
Don't wanna say goodbye

Birds of a feather, we should ***stick together***, I know ('til the day that I die)
I said I'd never think I wasn't better alone ('til the light leaves my eyes)
Can't change the weather, might not be forever ('til the day I die)
But if it's forever, it's even better

I knew you in another life
You had that same look in your _____
I love you, don't act so surprised

"If We Were Vampires" by Jason Isbell and The 400 Unit

It's not the long flowing dress that you're in
Or the light **coming off** of your _____
The **fragile** heart you protected for so long
Or the **mercy** in your sense of _____ and _____

It's not your hands, searching slow in the _____
Or your nails leaving love's **watermark**
It's not the way you **talk me off** the roof
Your questions like directions to the truth

It's knowing that this can't go on forever
Likely one of us will have to spend some days alone
Maybe we'll get forty years together
But one day I'll be gone or one day you'll be gone

If we were vampires and death was a joke

We'd go out on the **sidewalk** and smoke
And laugh at all the lovers and their plans
I wouldn't feel the need to hold your hand

Maybe time **running out** is a gift
I'll work hard 'til the end of my _____

And give you every second I can find

And hope it isn't me who's left _____

It's knowing that this can't go on forever

Likely one of us will have to spend some days alone

Maybe we'll get forty years together

But ***one day I'll be gone or one day you'll be gone***

It's knowing that this can't go on forever

Likely one of us will have to spend some days alone

Maybe we'll get forty years together

But one day I'll be gone or one day you'll be gone
